Personalization Information: Alice and I will be glad to sign the book(s) and/or CD(s) that you order. Please let us know the exact way you would like us to address the inscription, if it is not obvious from the *Purchaser's Information* or the *Ship To* information.

For example, you may have us shipping it to "William Green", but prefer that we address it to "Bill", or "Willie", or "Mr. Green", or "Scooter"...

* Expected Release Date is on or about November 4, 2009. There is no guarantee of this. Orders will be filled immediately when we receive our books. CD's are in stock and ready to ship, but will ship when books arrive if both have been ordered. By all means, barring the end of the world as we know it, expect delivery well before the holidays!
